PARENT SUPPORT GROUP

*...fostering a solid relationship
among parents, teachers and students*

Established 2012
sajcpsg@gmail.com

Objective:

Our goal as the SAJC PSG is to support the school's programmes and to foster a good relationship among parents, teachers and students.

SAJC PSG aims to:

Support the school and teachers
Represent parents' interest
Enhance communication between school and parents
Foster educational partnerships
Help advance school's values and vision

Many parents have come to realise that they could also gain valuable insight into their child's life in SAJC through active participation and support for the school's activities together with other parents in PSG, so we encourage parents to join us as PSG members.

We hope to engage more communication from parents as well as support with some school activities. There are several channels set up to help us promote communication for PSG with the school:
