Dear Student

I am pleased to invite you to join us at St Andrew’s Junior College’s Open House where you can learn how at SAJC we are “Home to the Saints, Nurturing Servant Leaders for a Better Tomorrow”.

SAJC offers a wide range of opportunities to empower you as a leader. These programmes include:

- Servant Leadership and Student Government
- Humanities and Science Scholars’ Programmes
- Talent Development Programme
- Overseas Immersion with partner schools in Thailand, Japan, China, Germany and the United Kingdom
- Sports, Performing Arts and CCAs that cater to a wide range of interests, skills and talents

At the Open House, you will also meet Saints and teachers to learn from them what the mark of a Saint is, more about JC education and life in SAJC in particular.

Come to our Open House and see how SAJC can help develop you to your full potential. See for yourself what life would be like as a part of something special, as a member of our “One Family Unbroken”.

The Saints, teachers and I look forward to welcoming you.

Yours Faithfully

Mrs Lee Bee Yann
Principal
