Professional Skills

Experience the entire process from submitting job applications to being fully trained in a job.

Leverage on the IWSP to understand broader industry trends and their impact on your job and career.

Integrating Knowledge and Practice

As 'Thinking Tinkerers', the knowledge and skills learnt in your programme will allow you to better analyse situations and apply principles to actual work performed on the job.

Skills for Innovation In Companies

IWSP challenges you to initiate innovative projects under the guidance of SIT's mentors and company-appointed supervisors, giving you opportunities to solve real issues in your companies.

Overall employment of SIT graduates in the labour force was as high as

90.7%*

The average gross monthly salary of an SIT fresh graduate rose to

\$3,597*

from \$3,437 the year before.

ADMISSIONS ESSENTIALS

SIT adopts a holistic and aptitude-based approach in assessing applicants for admission by considering the following criteria:

- A-Level / Polytechnic Diploma/ IB Diploma/ other Yr 12 equivalent
 - Clear evidence of Passion in the area of study
 - Pre-disposition towards Applied Learning
 - Relevant Work Experience/Internships
 - Co-curricular Interests and other achievements/experience relevant to area of study
 - Interview Performance
- For specific degree programmes, applicants may have to submit portfolios or essays, or be assessed through written tests.*

Admission exercise and intake is **once** per year.
Application for 2021 is from **11 January to 19 March**.

All applications and supporting documents are to be submitted online via the SIT website: <https://www.SingaporeTech.edu.sg>.

You have up to 5 choices in the application form.

Places will be reserved for NS-liable male applicants who are successful in their application (fees will follow the year of application).

LIST UP TO FIVE

programme choices in your application.

CHOOSE YOUR PROGRAMMES WISELY

in order of preference based on your interest and ability to cope with the programme.

CHOICE ORDER IS TAKEN INTO CONSIDERATION

in the shortlisting for a specific programme. If your application is assessed to be sufficiently competitive for your highest-ranked programme choice, you will be offered your first choice programme, and not be considered for subsequent programme choices.

Highlight related ACHIEVEMENTS AND SALIENT POINTS

in your Personal Statement to demonstrate your passion and aptitude.

Ensure that details of your academic qualifications are ACCURATE AND COMPLETE

Fill in your CCA participation and achievements, including noteworthy competitions such as WorldSkills Competition, International Olympiads, RoboCup etc., where applicable. Ensure that details of your relevant work experience including internships and Work-Study Post-Diplomas (related to programme choices) are

ACCURATELY AND COMPREHENSIVELY FILLED IN

ADMISSION TIPS

SCHOLARSHIPS AND FINANCIAL ASSISTANCE

SIT Scholarship:

As Singapore's university of applied learning, SIT looks to our scholars as proactive agents of innovation and transformation, who remain grounded in the community.

External/ Donated Scholarships:

SIT has a close symbiotic relationship with industry. Together with our industry partners, government agencies and organisations, SIT has been bringing opportunities to deserving undergraduates through scholarships and sponsorships.
