2. Student Leaders

The 37th Student Council was led by Teh Wee Hian, Kenneth (14S16), and consisted of 5 councillors from the Arts Faculty and 40 from the Science Faculty.

Together with the Student Council, the House Council played an integral role in uniting the student body through the activities they organised and cheering sessions during the sports season. The House Captains were:

House Capt - Gomes	Yeo Shi Meen	14S27
House Capt - Hose	Ong Chong Shin, Benjamin	14S16
House Capt - Loy Fatt	Benjamin Png Hao Ze	14S09
House Capt - Romanis	Eri Yawata	14A04
House Capt - Venn	Toh Yan Ting Dillon	14S04

We acknowledge Samuel Tan Yee Chong (14S03), the President of Saints-for-Christ, for his fervent work amongst the Christian students.

Our College is proud of the unstinting hard work of the student leaders who led their respective CCAs with passion, excellence and humility.

3. Academic Achievement

The GCE A-Level curriculum was revised in 2006, with the first cohort of candidates taking their examinations in 2007. To better reflect the intent of the revised A-level curriculum, which emphasises both breadth and depth, MOE has introduced, an indicator to reflect how well the colleges have done in the GCE A-Level Examination: “Percentage of candidates obtaining at 3 H2 passes, with a pass in GP or KI”. We are pleased that our College has performed above the national level using this indicator.

REVISED GCE A-LEVEL EXAMINATION	2014
No of students who sat for exam	752
Passes in 3 H2 including GP/KI	94.5% (Nat 91.4%)
No. of students who received 4 H2 Distinctions	23 (44.2%) ¹
No. of students who received at least 3 H2 Distinctions	123 (16.4%) ²
No of students who received at least 2 H2 Distinctions	235 (31.3%) ³
No of students who received at least 1 H2 Distinctions	431 (57.3%) ⁴

- Kabir Khandpur (13S18) topped the Science Faculty, while Ian Teo Tze-Rong (13A08) topped the Arts faculty.
- Kabir Khandpur (13S18) previously from St Joseph’s Institution obtained A’s in H2 Economics, H2 Mathematics, H2 Physics, and H2 Chemistry as well as in General Paper and Project Work and H3 Physics .
- Ian Teo Tze-Rong (13A08) previously from St Andrew’s Secondary School obtained A’s in H2 Geography, H2 Economics, H2 Physics, and H2 Mathematics as well as in General Paper and Project Work.

6. Character and Citizenship Education

Student Leadership

Student leadership development is a key pillar in how we nurture our Saints to be Servant Leaders who bring Life to the Nations. SAJC aspires for every Saint to be a Servant Leader in his/her own capacity, to exercise both self-leadership and influence regardless of their position or title in life.

In 2015, the student leaders in SAJC took on the challenging role of Student Liaison Officers (SLOs) for the Pre-U Seminar 2015. Both JC1 and JC2 student leaders were tasked to assist in facilitating the teams consisting of students from different institutions. They had to ensure that the team worked in unity and performed effectively in the various tasks assigned during Pre-U Seminar. The competence and passion exhibited by the SLOs throughout the Pre-U Seminar endeared them to both participants and teachers alike.

The 3rd House of Representatives for the Student Government was sworn in on 14 July 2014. Consisting of student leaders from the Student Council, the House Council, the Saints Advocate and the Saints-For-Christ, they were given the platform to raise concerns and make decisions regarding school rules and regulations. In their efforts to provide a conducive environment for all Saints, the Student Government has passed bills into acts that are now part of the school rules. The growth of the student leaders is evident as they exercise the principles of governance and understand the challenges and responsibility that comes with power.

The 37th Student Council organised key events in the College such as Open House, Orientation, Feedback Week, Teachers' Day with flair and creativity. They also took care of the welfare of the student body through providing locker service, umbrellas on rainy days, and the maintenance of Student Lounge. In all their ways, they have led and inspired the student body to love and care for the SA Family.

The 15th House Council organised events such as the Sports Carnival, National Day Celebration, Graduation Night, House Time and Cross Country Championships to create a vibrant College life that bonded the student population for a common good. The Sports Carnival engaged the students and teachers in competitive events like the Inter-House 8x200m Relay Final and Inter-Class Captain's Ball Tournament. In celebration of our Nation's 49th birthday, a series of interactive activities was organised for the JC2 students to participate. The JC2 cohort attended the Graduation Night after their A-Level Examinations, which was

specially organised for them to mingle and reminisce the good times they had in the College. At the beginning of 2015, House Time was organised to induct the new JC1 students to their respective Houses, where House information and cheers were shared. The College Cross Country Championships took place at a new venue, Bedok Reservoir, which saw many students and staff race against time to win glory for their Houses.

The 5th Saints Advocate organised key events in the College to connect the student body with the community. During Friendship Week, they galvanised both students and staff to extend their friendship to the community through interacting with members from Simei Care Centre (Singapore Anglican Community Services), and raising funds in support of their activities. In addition, funds were raised for the future St Andrew's Village indoor sports hall. They raised a total of \$1,686. The Saints Advocate also led the student body to show appreciation to the non-teaching staff through Project Acknowledgement. On JC1 Service Learning day, they led the entire JC1 cohort to clean the homes of the elderly in the MacPherson estate and led in the finale concert as part of National Day. Saints Advocate continued to lead and inspire the student body to make a difference in the community.

The College continued to administer the twice-annually online Student Leadership Competencies Assessment Tool (CAT[®]) to all students in 2014 with the aims of increasing their awareness of the competencies of a Servant Leader, and to guide them in the development of these competencies. The tool is used for the students' personal target setting and for tracking and self-monitoring of their growth in the various leadership competencies.

Service Learning

Service Learning projects are powerful opportunities for Saints to show care and to grow as passionate community builders.

In March 2014, the annual Blood Donation Drive organised by the Interact Club saw 83 units of blood being donated from SAJC.

In April 2014, the JC2 students embarked on 36 self-initiated Service Learning projects. These projects were organised by the students through assessing the needs of the community. They included fund-raising, and performing for the less privileged as well as assisting in cleaning their homes.

In August 2014, the JC1 students embarked on a level-wide College Service Learning project known as *Project Lumos (Saints Lighting Up Homes)*. They visited 160 HDB one-room residential units in MacPherson to help needy families clean up their homes and to interact with elderly beneficiaries. The beneficiaries were then invited to watch a National Day concert at the Macpherson Community Club. The concert ended with enthusiastic singing of National Day songs, before the beneficiaries proceeded to a sit-down lunch while interacting with the Saints.

The JC1 and JC2 class Service Learning Representatives, together with the Saints Advocate interacted through the annual Community Builder Week which

culminated in the Service Learning Convention, sharing their experiences through concurrent sessions conducted by Saints and guest speakers.

Overseas Service Learning Programme (OSLP)

In June 2014, a team of student leaders went on a one-week Student Leaders' OSLP trip to Cambodia as part of their leadership development programme in serving and building communities beyond Singapore.

In December 2014, two teams of students set off for a two-week OSLP trip to Prey Veng and Phum Thmey in Cambodia, respectively. The teams did construction work, taught in local primary schools and interacted with the locals. Working alongside local volunteers, they embarked on home visits to conduct needs interviews with families and interacted with the leaders of local NGOs to appreciate the economic, legal, social and political complexities of developmental projects in poverty-stricken communities. Many of the students emerged with a passionate indignation over the unfulfilled needs in these communities and a humbled perspective of what it meant to serve the real needs of others. Through journaling and reflections, students experienced personal growth and development in many areas of their lives.

Citizenship Education

In 2015, the Citizenship Education programme continues its mission of inculcating important values and building competencies in our students to develop them as upright individuals and citizens who play their part in contributing to society and the nation through various opportunities.

During the Total Defence Day Commemoration in February 2015, soldiers from the 8th Battalion Singapore Infantry Regiment (8 SIR) were invited to join the College as part of the SAF School Partnership Programme (SSPP). The event started with our Saints being guided by the soldiers in a mass Vocational Related Exercise (VRE) at the school field, followed by a Cadence Run. Focusing on the theme of homeland security and defence, students gained first-hand insight into the capabilities and role of the military in the defence of Singapore.

In April 2015, as part of our International Friendship Day Commemoration, we established ties with Triam Udon Suksa from Thailand, in an exchange of stories to share the similarities and contrasts of our lives whether Singaporean or Thai. Additionally, two groups of students comprising Singaporeans and foreign scholars went to different places around Singapore for adventures to deepen their friendships and mark the celebration of the International Friendship Day. The objective is to immerse our foreign friends in local cultures so that they could understand this dynamic country.

For the Racial Harmony Day Commemoration in July 2014, we invited Singapore's much-loved musical duo Jack & Rai to perform and share their perspectives on racial harmony.

Various dialogue sessions with senior civil servants and political leaders were also organised on-site in SAJC. In July 2014, the JC2 student leaders held an

intimate Student Leaders' Dialogue with Ms Grace Foo (Minister for Prime Minister Office and Senior Minister for Foreign Affairs). In August 2014, the entire JC1 student cohort participated in a Senior Civil Servant Dialogue with Major-General Hoo Cher Mou (Chief of Air Force).

Social Entrepreneurship

At the SMU Youth Innovation Challenge 2015, SAJC won the special prize sponsored by IE Singapore, called the IE Internationalisation Award, judged based on the team's market insights and internationalisation strategy. We are proud of our participants for displaying such great entrepreneurial spirit, and hope this inspires other students to do the same.

In 2015, two teams participated in the Students for the Advancement of Global Entrepreneurship (SAGE) organized by SMU and one team entered the semi-finals with their project on providing low cost and portable oxygen for rescue operations during natural disasters in developing countries.

Students have also registered for the Citi-YMCA Youth For Causes. Currently, one team is working with the Guide Dogs Association of the Blind on fund raising for the society and raising awareness of the plight of the visually impaired at shopping malls.

Environmental Initiatives

There were many initiatives to promote environmental stewardship among staff and students within the College and in the community. SAJC collaborated with agencies such as the National Environment Agency, Public Utilities Board, Public Hygiene Council and South East CDC and some of the projects included litter picking along the running track next to the Kallang River beside the College (with Public Hygiene Council) and participating in the World Water Day 2015 (with Public Utilities Board). We are continually seeking new ways to conserve energy such as harnessing solar energy from the solar panels above the Cultural Centre.

The College is proud of the students' participation in various environment-related competitions for which they have garnered top awards. These included:

- Sustained Lotus Award for "School Green Audit 2014";
- Top Outreach Award in "3R Awards 2014";
- Finalists in the "Living aRRRt from Urban Waste Sculpture Competition";
- Certificate of Participation in "Green Schools @South East Awards 2014";
- Certificate of Participation in "Singapore Green Day 2014".

In recognition of the College's environmental initiatives, the Singapore Environment Council (SEC) has awarded the Lotus Award (Sustained Achievement) to the College for the 8th year running. In addition, the College has received the Certificate of Participation for its contributions towards in championing environmental initiatives for South East CDC.

7. Anglican Character, Thinking and Service (ACTS) Leadership Academy

The Anglican Diocesan Board of Education set up the Anglican Character, Thinking and Service (ACTS) Leadership Academy with the intent of nurturing high ability students empowered with the 21st century servant leadership competencies to lead and serve in the public service.

SAJC has led 3 other Anglican schools in the development of a total curriculum for the ACTS Leadership Academy. The four schools have designed and implemented a curriculum that provides a holistic education from Secondary One to Junior College Year Two that aims to foster exemplary character, nurture talents and empower the students to be 21st century servant leaders and powerful agents in contributing to the nation and creating a better future for all.

In 2014, the ACTS curriculum saw the design and implementation of critical thinking lesson plans through Secondary One to Junior College Year Two classrooms across different subjects to develop our students to be critical thinkers. To facilitate greater collaboration amongst teachers, SAJC has also created an online repository for schools to store and share critical thinking lesson plans with one another. In 2015, the Critical Thinking curriculum in ACTS is extended to the co-curricular domains of CCE, Student Leadership and Teacher Professional Development programmes.

To grow the competencies of teachers in critical thinking skills and in creating a thinking school culture for the students, in 2014, SAJC sent a 2nd team of staff consisting of a Deputy Principal and two Subject Heads to attend the 34th International Conference on Critical Thinking and Educational Reform: Cultivating Educated Citizens and Critical Societies Through Explicit Fair-minded Critical Thinking.

In 2014, ACTS Leadership Academy organized the inaugural Critical Thinking Seminar in SAJC to share critical thinking strategies/pedagogies in the classroom to develop students into critical thinkers. A total of 14 presenters and 95 teachers participated in the seminar.

In 2015, ACTS Leadership Academy organised the 2nd Critical Thinking Seminar in Anglican High School with 16 teams of presenters from the 4 schools. It was attended by about 160 participants.

D Facilities

The College continues to improve its existing facilities to support an inviting and conducive environment for teaching and learning. These included the installation of the following:

- Smart Cabinet at General Office
- New Staff Lounge
- New Time Tabling Room
- New Deputy Principal (Admin) Office
- Relay road service along the Service Road
- Repair of EPDM running track
- General Repair & Refurbishing of the college building and facility

We are thankful to the Board of Governors, Alumni, parents and friends of St Andrew's for all their encouragement and support, and especially to God, our Heavenly Father, from whom all blessings flow.

To God be the Glory!

Mrs Lee Bee Yann
