WHAT'S NEXT AFTER A-LEVELS

Local Publicly funded universities

- Will the university courses I can enter lead me to my career goal?
- Do I have an **interest/strength** in this university course?
- Should I take full-time or part-time courses? E.g. Consider SUSS part-time degree courses

Polytechnics

NYP, NP, RP, SP, TP

- Which courses can lead me to my career goal?
- What are my options and alternatives
- Advance standing/module exemptions: Do I qualify?
- What are the progression and prospects?
- Do I have an **interest/strength** in these courses?
- What are the costs?
- Pathways: JAE or DAE or ?
- Application process and dates?
- Have I visited the poly in person to:
 - Understand poly life
 - Meet the poly ECGC

Arts institutions

LA SALLE, NAFA

- Do I have an **interest/strength** in these areas?
- Which courses can lead me to my career goal?
- What are the progression pathways and prospects?
- What are the costs?
- Application dates?
- Have I visited the schools in person?
- Should I consider diploma or degree programme?

Entering the Workforce

- Am I ready and able to enter the workforce?
- Which industry sectors do I want to work in?
- Do I have an **interest/strength** in this area?
- What are the training programmes to upgrade my knowledge and skills?

Book an appointment with an ECG counsellor for a discussion on these options, after your research

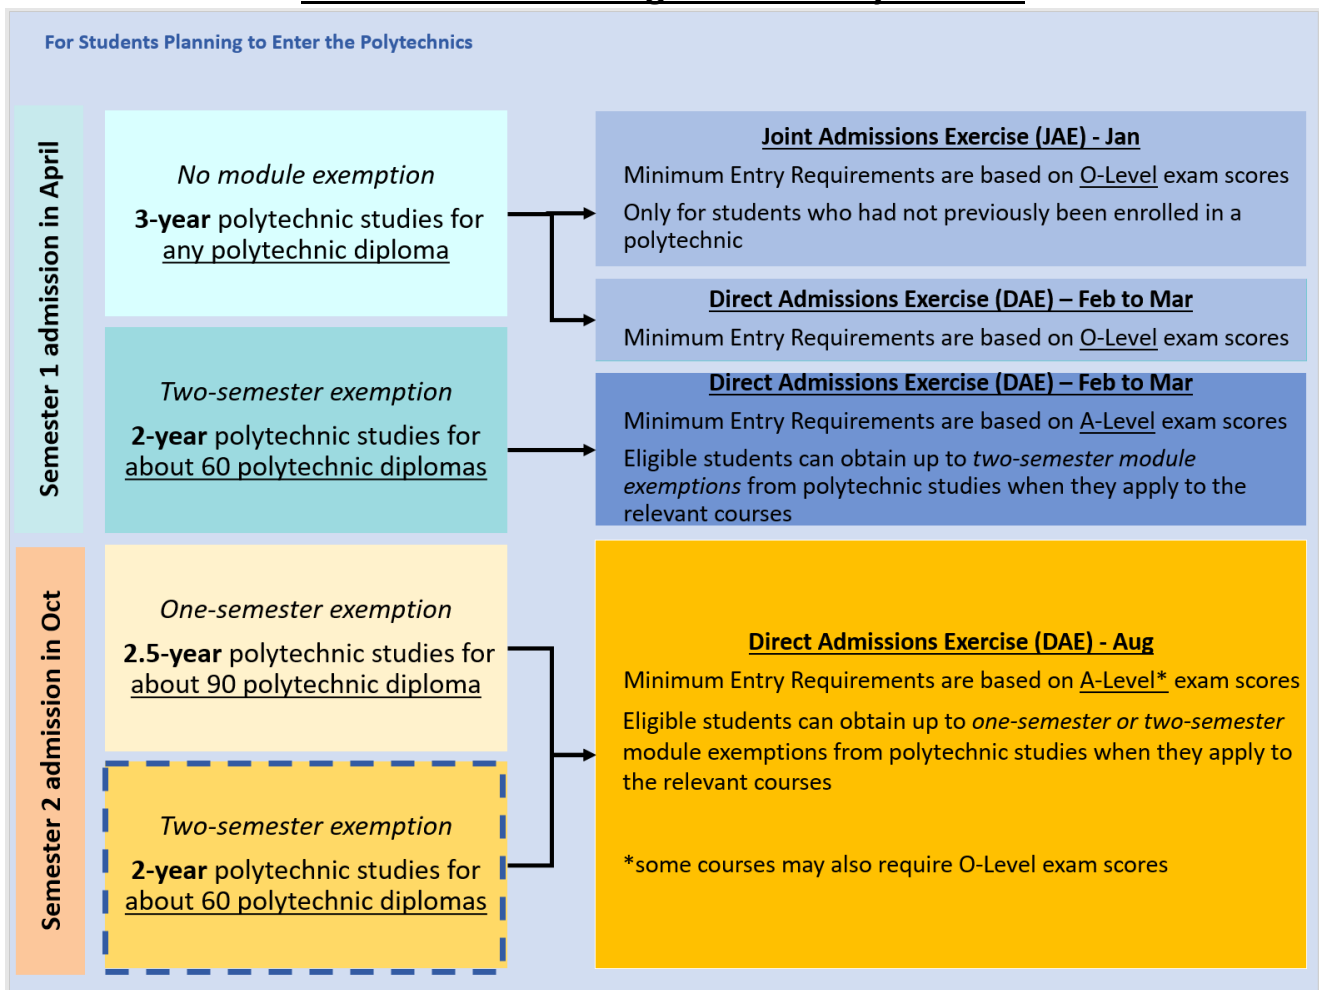

Continuing Education & Training CET

- Examples: Polys, BCA Academy, SEED, SSI (www.ssg.gov.sg/wsq/cet-centres.html)
- Do I have an **interest/strength** in this area?
- Which course will lead me to my career goal?
- What are the costs?
- Am I able to juggle between work & studies?

Private Education (local/overseas)

- Which courses can lead me to my career goal?
- Are these courses available at the polys?
- Are the qualifications well recognized by employers?
- Do I have an **interest/strength** in these courses?
- What are the costs?
- Application dates?
- Have I visited <https://www.ssg-wsq.gov.sg/> → click "PTE EDUC INSTITUTIONS"
- to fully understand the concerns?

For Students Planning to Enter Polytechnics
